### XV27MF

*the motor mover battery*

**USA spec  
sealed leisure  
batteries**

*"This battery is a dream to fit as it provides dedicated crimp connections for the Power Mover Cables, it leaves space for folding in the loose cable returns, and does not compromise on power to drive Motor Movers."*

*Quote: Yorkshire Caravan Movers Ltd.*

- **Dual terminals**
- **Integral state of charge indicator**
- **Comfortable reinforced carrying handles**
- **Anti-flashback safety labyrinths**
- **Low self discharge rate giving long shelf life**
- **Full two year warranty**
