

***STORED ENERGY
for LEISURE applications***

For all your Leisure battery requirements, Manbat should be your first choice supplier every time.

After servicing the Leisure industry with batteries for well over half a century, Manbat has both the product knowledge, and the product range to provide you with the perfect solution to your Leisure battery requirements every time.

And . . . when you combine that with Manbat's unrivalled ability to service all our customers whether they want five batteries or five thousand batteries, from its nine strategically placed, and well stocked branches, you will see why we are first choice suppliers.

Manbat is a totally independent battery importer/distributor, and because of this we are able to stock a huge range of top quality product. Manbat is very careful to offer the very best Leisure stored energy products from superior suppliers based all around the globe.

Manbat is a leading supplier of batteries to the caravan and leisure retail industries in the U.K.
